

# Where are you?

Glenn Currier

In snowy peaks  
and gray valleys  
grassy plains  
and lower back pain  
the falls  
and rivers of grief  
thorny branches of the bois d'arc tree  
the womb  
of a lily or a lady  
pioneers and sinners  
losers and winners  
on the road  
in the heart of home  
what you imagine  
and what you dream.
