

Reunion

By Glenn Currier

Here's to the Pantels, the Morgans, and Creeks!
To tell all the names would simply take weeks.
Here's to the mamas and papas who brought us here
for the times together in sadness and in cheer.

Here's to the love of husbands and wives
the kids and grandkids they've put in our lives
we are grateful for the songs that we've made
for the laughter and all the games that we've played.

May we recall in good times and in bad
the special moments together we've had.
Just as did each father and mother
may we always choose to love each other.

Reunions are time regardless of weather
to remember and renew our bonds together,
these are times we stand up and insist
we're a family and by God, we'll make that persist.
