

# It's so easy to leave you

By Glenn Currier

It is so easy to leave you  
to get lost  
in the garbage  
fix the sink  
watch the cowboys and chiefs  
cut the grass, rake the leaves  
shop for milk and eggs  
exercise my arms and legs  
take out the trash  
pick up the mail  
and a thousand other details.

It's so easy to leave you  
to get lost in the garbage  
and before I'm through  
we've drifted apart  
and all I had to do  
was sit down and start  
to look into your eyes  
speak from my heart  
listen to you  
and hang on your words.

Together take a walk  
forget the clock  
listen and talk  
laugh a bit  
maybe even cry  
just you and I.

And before long  
there we are again  
we made it  
that's all we had to do  
just be  
me and you.
